

# MASSAGE AMPLIFIED

## Art of a Conscious Touch

Presented by Cynthia Pierro  
B.S., LMT, NLP, RPP, MTI

**Definition of Touch: That which creates a connecting relationship through Visual, Auditory and Physical Channels for awareness and wholeness.**

Imagine your Effleurage, Petrissage, Myofacial Release, Friction, Tapotement, and Vibration Amplified and Refined 10 fold! Through a Polarity Therapy approach that emphasizes the wisdom of Sattvic (cloud touch), Rajasic (fire touch) and Tamasic (earth-water touch) a new spin with greater depth and more healing on all levels become yours!

The principles of Sattvic, Rajasic & Tamasic provide more effective and powerful connections to the many different types of clients that you serve. This class will enhance your understanding of how to better utilize the techniques you currently employ, plus add New Polarity techniques for acute health situations, chronic health situations or simply relaxing massage.

Call today to reserve your space!

**214-437-1274**

### THIS DAY WILL INCLUDE:

1. Power Point Presentation
2. Dialogue
3. Massage Demo & Trade to Amplify your work.
4. New Polarity Therapy techniques (light to deep touch).
5. Integrating the old with the new.

Instructor: Cynthia Pierro, B.S., MTI, LMT, RPP is a holistic health practitioner and educator. She has been practicing since 1984. Her teaching style allows people from many different backgrounds to enhance their massage skills with insights and wisdom she has gathered in her 28 plus years. She easily demonstrates the fullness of Polarity Therapy's approach for your professional growth, encouraging your greatest potential to unfold.
